

657—30.6(155A) Program provider contract. The board may contract with one or more associations to provide a recovery program for impaired pharmacy professionals and technicians. Programs shall include, but not be limited to, education, intervention, and posttreatment monitoring. The contract shall provide for payment by the board to the program for expenses incurred in the management and operation of the program but shall not include payment for costs incurred for a participant's evaluation, referral services, treatment, or rehabilitation. Detailed claims or reports identifying program expenses shall be submitted to the executive secretary/director or director's designee not less than annually nor more frequently than monthly.

30.6(1) Annual reporting. An association contracting with the board pursuant to this rule shall annually prepare a written detailed accounting of program activities for review by the board. This report shall detail education, intervention, and posttreatment monitoring activities provided under the program.

30.6(2) Quarterly reporting. An association contracting with the board pursuant to this rule shall prepare the following reports not less than quarterly nor more frequently than monthly:

a. A confidential written report to the board regarding each participant's diagnosis, prognosis, and recommendations for continuing care, treatment, and supervision. The report shall include the date of last contact and a summary of the last communication with each participant. A case number shall be used to identify each participant, and the report shall be written so as to maintain the anonymity of the participant.

b. A confidential written report to the executive secretary/director or the director's designee regarding each participant's diagnosis, prognosis, and recommendations for continuing care, treatment, and supervision. Participants shall be identified by name. Board staff access to such confidential information, data, and personally identifiable information shall be limited to essential identified personnel.

30.6(3) Notification of initial contact. An association contracting with the board pursuant to this rule shall, within 72 hours of receiving information identifying a professional or technician believed to be impaired, notify the executive secretary/director or the director's designee of the program's involvement with the individual. This notification shall identify the individual involved and, if known, the suspected impairment. Notification may be transmitted via telephone, facsimile, electronic mail, or in person.

30.6(4) Notification of noncompliance or refusal to participate. An association contracting with the board pursuant to this rule shall report to the board the name of a professional or technician who refuses to cooperate with the program, who refuses to submit to treatment, or whose impairment is not substantially alleviated through intervention and treatment. Notification shall be in writing, shall identify the individual by name, shall include information regarding the alleged impairment, and shall be submitted to the board within 14 days of knowledge by program personnel of the individual's failure or refusal to participate.

30.6(5) Notification of imminent danger. An association contracting with the board pursuant to this rule shall report, within 72 hours, the name of an impaired professional or technician whom the committee or monitor believes to be an imminent danger to either the public or the professional or technician. Notification may be transmitted via telephone or in person.

30.6(6) Notification of illegal drug distribution to others. An association contracting with the board pursuant to this rule shall report, within 72 hours, the name of an impaired professional or technician where information regarding the professional's or technician's activities discloses known illegal distribution of controlled substances or legend drugs to other individuals. Notification may be transmitted via telephone, facsimile, electronic mail, or in person. Within 10 days of this notification, all records of the participant in the possession of the program and all information regarding the illegal drug distribution shall be delivered to the executive secretary/director or the director's designee.

30.6(7) Release of information to executive secretary/director. An association contracting with the board pursuant to this rule shall, upon request from the executive secretary/director or director's designee, release all records of a participant.
